

## Kitten Candy Persian Application

The purpose of the application is essentially we want to know our precious kittens will be going to a loving, caring home. We hope you become friends with us and send us updated pictures to share with others. We want you to love your new family member as much as we love them. Probably one of the most difficult things in having a quality cattery is to part with one of our babies. We realize some of the standards may seem high to you but they are important to us. They go from our heart to yours when they go to their new forever home.
